

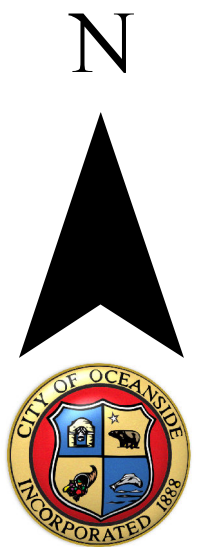

Diagram illustrating a 3x3 grid of tiles. The tiles are labeled R9, R10, R11, S10, and S11. A legend indicates that the yellow outline represents Contour (10') and the red outline represents Contour (2').

This is an aerial photograph overlaid with a topographic map. The map features white contour lines indicating elevation, with labels such as 130, 140, 150, 160, 170, 180, 190, 200, 210, 220, 230, 240, and 250. A specific parcel of land is outlined with a thick black dashed line. This parcel is situated in the upper-middle portion of the image, bounded by a road to the north and a road to the east. The parcel itself contains several small, dark, rectangular features, possibly trees or structures. To the west of the parcel is a large, rectangular area with a grid-like pattern, likely a field or a large garden. To the south of the parcel is a residential area with several houses and buildings. The word "PRIVATE" is written vertically in white capital letters on the left side of the image. The entire image is framed by a yellow border.

Map No. S10
