

The map displays a residential area with a grid of streets and individual lots. Key streets include Coronado Dr, Newport St, Goleta St, Big Sur St, Douglas Dr, Sunning Dale Dr, Calle del Palo, and others. Utility lines are overlaid on the map, with labels indicating specific line segments and their types (e.g., R-04815-R-04818, R-02286-R-02294B, G-00505). The map also shows Pilgrim Creek to the west and various bays and ways within the neighborhood.

The map displays a residential area with numerous streets and lot numbers. Key streets include Coronado Dr, Newport St, Goleta St, Big Sur St, Douglas Dr, Sunning Dale Dr, Calle del Palo, Catalina Dr, and others. Utility lines are overlaid on the map, with labels indicating specific projects or zones. For example, a blue line is labeled R-04815-R-04818, a purple line is labeled R-02286-R-02294B, and a green line is labeled G-00505. The map also shows natural features like Pilgrim Creek and various bays (Morro Bay, Mage's Bay, Drake Bay, etc.).

The map displays a residential area with a grid of streets and individual lots. Key streets include Coronado Dr, Newport St, Goleta St, Big Sur St, Douglas Dr, Sunning Dale Dr, Calle del Palo, Catalina Dr, and others. Lots are numbered throughout the area. Overlaid on the map are several utility lines, primarily in purple and blue, with labels indicating specific routes or zones such as R-04815-R-04818, R-02286-R-02294B, G-00505, and R-06745-R-06758. A blue line representing Pilgrim Creek is shown in the upper left corner. The map also features various other labels like 'MORRO BAY', 'MAGEN'S BAY', and 'CANEEL BAY C'.

This map shows a residential neighborhood with various streets and lot numbers. The streets include Coronado Dr, Douglas Dr, Newport St, Goleta St, Big Sur St, Morro Bay, Magens Bay, Trunks Bay Dr, Holiday Way, Caneel Bay Ct, Montego Bay Ct, Keyport St, Drake Bay, Mariner's Bay, Calle del Palo, Sunning Dale Dr, and Festival Dr. Lot numbers are visible on many of the streets. A blue dashed line with arrows indicates a utility route, likely for water or sewer, running along the left side and through the center. A purple solid line with arrows indicates another utility route, possibly for gas or electric, running through the center and along the right side. The map also shows a creek on the left and a large body of water on the right.
